## Skills

Adobe Illustrator, Adobe Photoshop, HTML5, CSS

## Projects

- Humans of South Pasadena**

**Co-founder**

March 2016 - June 2016

Co-founded and designed a photojournal (based off the famous Humans of New York) meant to document the lives of students at South Pasadena High School. Maintained Facebook page and grew a community based around the project.
- Visualizing LA**

**Designer**

October 2016 - ongoing

An agile based project comprised of a small team under Creative Labs. The goal of the project is to create an interactive data visualization of transportation and transportation infrastructure in Los Angeles.

## Experience

- UCLA Association for Computing Machinery (ACM) Hack**

**Intern**

October 2016 - ongoing

- Designs marketable Facebook media content for ACM Hack at UCLA
  - Organizes and coordinates weekly socials and workshops to foster a hacking community on campus
  - Consolidated and processed application data for Hack on the Hill (hackathon)
- CATALAIZE**

**Summer Intern**

August 2016 - October 2016

- Facilitated rebranding the company during a major summer overhaul
  - Launched new company website from the ground up using XPRS web site builder
  - Designed business cards for major upcoming healthcare conferences
  - Assembled design resources for future media/marketing production
- Pasadena City College Intro to Web Dev Course**

**Teaching Assistant**

June 2016 - August 2016

- Ensured that students were able to build and present an HTML website at the end of the course
  - Students finished with a beginner-level comprehension of how internet browsers access files on web servers.
- Delphi Automotive CTC**

**UI/UX Design Consultant**

June 2015 - March 2016

- Adapted a software developing team's workflow
  - Received an offer to continue UI/UX consulting post-internship
  - Illustrated mockups and icons for software developers to build upon
  - Modeled Human-Machine Interface (HMI) ideas/concepts for optimizing intuitive design on the Dragon 2.0 infotainment system CES 2015 customer demo
- HS Leadership**

**Vice President of Math Honor Society, Lead trumpet for Jazz Band**
